Education

University of Louisville

M.S./PhD in Physics

- Graduate Student Council: Senator Proxy

Louisville, KY

August 2021 - Current

Western Kentucky University

B.S. in Physics

- Society of Physics Students: Vice-President
- Hilltopper Astronomy Club: President
- Hardin Planetarium: Trainer Observatory Operator

Bowling Green, KY

August 2006 - December 2010

Work Experience

University of Louisville

MS/PhD Student

- Supervisor: Dr. Benne Holwerda
- Studying relationships between Green Valley Galaxies

Louisville, KY

Aug 2021 - Current

Texas A&M University

Teaching Assistant

- Supervisor: Don Carona

College Station, TX

Aug 2010 - June 2012

Munnerlyn Institute for Astronomical Instrumentation

Research Assistant

- Supervisors: Drs. Darren DePoy and Jennifer Marshall
- Lead on MooSci Project (Site Characterization Instrument for the Giant Magellan Telescope)

College Station, TX

Aug 2010 - Aug 2011

Western Kentucky University

Laboratory Manager, Senior Telescope Operator, and Student Researcher

- Set up and operations of University Mechanics Labs
- Senior Operator for Bell Observatory
- Researching flaring behavior in Blazars.

Bowling Green, KY

Aug 2006 - May 2010

Teaching Experience

University of Louisville

Graduate Teaching Assistant

- PHYS 108: Intro Astronomy Lab (Spring 2022/2023)
- PHYS 221: Fundamentals of Physics Lab (Fall 2022)
- PHYS 295: Intro to Physics I Lab (All semesters from Spring 2022 to current)
- Physics Learning Center Tutor (Spring 2022, Fall 2022, Spring 2023)

Louisville, KY

Jan 2022 - Current

Fern Creek High School

Jefferson County Public Schools

- Chemistry: Sophomore Level
- General Science: Freshman Level

Louisville, KY

Jan 2013 - May 2013

Texas A&M University

Teaching Assistant

- ASTR 102: Observational Astronomy (Fall 2010, Spring and Fall 2011, Spring 2012)
- ASTR 101: General Astronomy (Summer 2012)

College Station, TX

Aug 2010 - Jun 2012

Skills

Proficient Python/NumPy, , Microsoft Office Suite

Familiar Source Extractor

Achievements

2010	Douglas Humphrey Award for Outstanding Service in Physics and Astronomy , Western Kentucky University	<i>Bowling Green, KY</i>
2010	Chambliss Student Research Achievement Award , American Astronomical Society	<i>215th Meeting of the AAS</i>
2009	Douglas Humphrey Award for Outstanding Service in Physics and Astronomy , Western Kentucky University	<i>Bowling Green, KY</i>
2009	Chambliss Student Research Achievement Honorable Mention , American Astronomical Society	<i>213th Meeting of the AAS</i>
2008	Douglas Humphrey Award for Outstanding Service in Physics and Astronomy , Western Kentucky University	<i>Bowling Green, KY</i>

Affiliations

- Member** Looking at the Distant Universe with the MeerKAT Array (LADUMA)
- Member** Legacy Survey of Space and Time (LSST) Galaxy Science Collaboration
- Vice President** University of Louisville, Graduate Student Council (2023-2024)
- Senator Proxy** University of Louisville, Graduate Student Council (2022-2023)
